## INTENDED AUDIENCE

This program is designed for use with a general school audience, grades 7 - 12.

## PRESENTING THE PROGRAM

To prepare a lesson plan for the presentation of each program, review the suggested outline below:

1. Before students view the program: Collect as many recommended books as possible to help generate class interest and participation. Preview each program and become familiar with the concepts that are presented in it.
2. Students view the program: The first viewing, if possible should be uninterrupted.
3. After the first viewing: Elicit discussion of what the students have seen and heard. The next viewing will be enriched by this general discussion.
4. Second viewing: The program may be viewed again, this time with attention to detail. The teacher should feel free to stop and question students regarding: a. what is happening in a visual; b. major concepts.
5. Post activities and discussion: Discussion questions for this program may be used to stimulate further interest, reinforce concepts and evaluate student comprehension.
